**Overview:** These are instructor-led activities taking place at specific open locations around the Pioneer Centre site encouraging group interaction, communication, and teamwork. Included are: Wide Games; Team Games and Icebreakers

| <b>Hazards</b>                          | <b>Groups of People at Risk from the Hazards Identified</b> | <b>Probability</b>   | <b>Control Measures – Reduces the severity and lowers the probability to acceptable levels</b>  |
|---|---|----------------------|---|
|   |   | <b>Severity</b>      |   |
|   |   | <b>Risk Category</b> |   |
| General Injuries                        | guest/participants  | Likely               | Instructors choose appropriate places for games to help prevent injuries e.g. no crawling on concrete, they will point out or remove obstacles/objects such as chairs, tables etc or change venue/location.   |
|   |   | Minor                |   |
|   |   | Medium               |   |
| Slips, trips and falls                  | Instructors, staff and guest/participants                   | Likely               | Maintenance of site is done by the activities team and maintenance team. Participants are warned of hazards at the start of the session. Games are played at an appropriate location. The instructor visually checks the area upon arrival. Instructor first aid trained, with first aid kit readily available. |
|   |   | Minor                |   |
|   |   | Medium               |   |
| Site Traffic                            | Instructors, staff and guest/participants                   | Unlikely             | All vehicles are to be walked in and out by centre staff to ensure speed limit is kept to and that caution driving is being practiced.  |
|   |   | Major                |   |
|   |   | Medium               |   |
| Collisions between people               | Instructors, staff and guest/participants                   | Likely               | Participants are warned of the hazard colliding and instructors are present to keep control of the group and maintain a safe playing of planned activities.   |
|   |   | Minor                |   |
|   |   | Medium               |   |
| Hit with equipment                      | Instructors, staff and guest/participants                   | Unlikely             | Participants are spaced apart on activities involving equipment and briefed how to use the equipment properly.  |
|   |   | Minor                |   |
|   |   | Low                  |   |
| Getting lost/ accidentally leaving site | Guest/participants  | Likely               | Participants are brief on boundaries for the games as well as the site boundaries. Instructors monitor the games to ensure they are being played  |
|   |   | Minor                |   |
